

You will have more opportunities to make and listen to music and you will have new instruments to enjoy

If you are in Secondary and FE you will work closely with many people from outside school who will help you to understand the world of work and careers

 **The Loyne**  
Specialist School

# School Improvement Plan for pupils & young people 2023/24

You will use exciting new technology across the curriculum to make learning fun

You will have a wide curriculum that celebrates British Values and our rich cultural diversity

If you are in Eden and Ambleside we will work with you and your parents to get the best possible start to your education.
